

INTER CAR CLUB QUIZ AT NETHERTON

In addition to our own club nights, we join 6 or 7 other clubs for monthly quiz nights at the Netherton Sports and Social Club throughout the winter season from October to April - except December. The Quiz starts at 8.00pm on the last Monday of each month and there is also a good raffle.

All proceeds are donated to charity – which the quiz participants choose annually. (This has been the Yorkshire Air Ambulance for the last few years.)

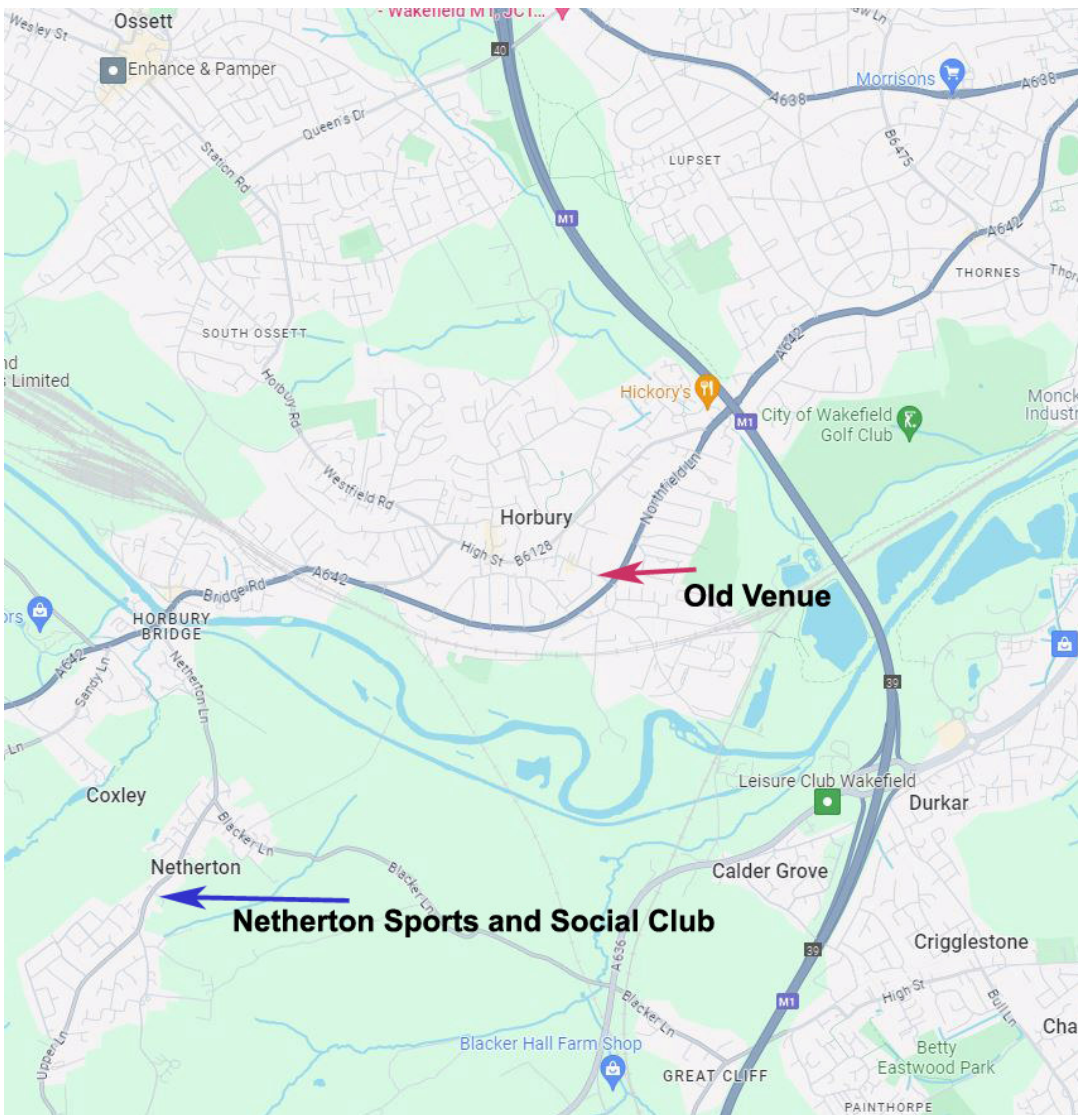

Netherton Sports and Social Club is just 5 minutes from our old venue at Horbury W.M.C. and is at

139 Netherton Lane, Netherton, WF4 4HQ (Tel 01924 271471)

For your first trip to Netherton you may find it simpler to go towards the old venue and carry on past Cluntergate to Horbury Bridge and turn left at the traffic lights just over the bridge into Netherton Lane. The Club is just under 0.7 miles from the traffic lights after going right-ish at a mini roundabout. Go slow after the mini roundabout and you will find the Club entrance on the left after a line of terraced houses.

There is a large car park at the Club.

Continued on next page.

The Quiz was originally set and run by Peter Woodhall (then our W.C.C.C. Chairman) and, following his death, Tony Lucas (a member of both Yorkshire Thoroughbred Car Club and W.C.C.C.) and Roland Crosby from Y.T.C.C. ran the Quiz for the next 10 years. Tony and Roland have now asked to resign from this task and the baton has passed to new holders from October 2023 onwards.

W.C.C.C. used to have a dominance but nowadays some additional support would be helpful.

SO – if you don't have anything vital to do on the last Monday in a winter's month – why not come and have an enjoyable evening, some good pie & peas and support both your own Club and the Charity of the Year. You would be made welcome!
