Jeeves Kitchen Brighton Aerodrome

This year's run is a little shorter than normal but still promises some nice roads and villages to pass through. We need to be arriving at the Aero club as close to 13-00 hours as we can. Parking will be on the grass close to the hangers.

The Aero Club have offered us tours of the hangers and facilities for a nominal fee of £5.00 per person if anyone would like to partake.

A copy of the menu is attached for your perusal, but we need to know your choices no later than 17th March. This gives the ladies in the café due notice of how many people they need to cater for.

I hope everyone can attend, as I'm sure it will be a nice run.

All being well, if the weather cooperates, which I'm sure it will, there should be plenty of flying from the many aircraft based at Brighton.

Hope to see you all there!
