

Great Outdoors

How do you
spend your time!

Wetherby Classic Car Club

February 10th 2026

At our supper night this year you are invited to think about the coming season when we can get outdoors again. What does it make you think of - or if you have a special attire for your activity, why not show us?!

Our B-B-Q supper is sausage and burger buns with potato wedges and mixed salad. Followed by smores - a dish traditionally cooked over a campfire. This will be served at 8:00pm.

If you would like to partake of the supper it is £14 pp. As this has to be ordered in advance Gillian would like your name, with cash or cheque made payable to Wetherby Classic Car Club, before or no later than Jan 13th 2026. (Club night).
